## GVF PRUNING TOWERS

12', 16', 20', 25'

*Manufacturer of Quality Farm Equipment Since 1977*

### Check out the great new changes on the GVF Pruning Tower!

- Re-designed operator's platform that is roomier and more functional than ever.
- 25' lift now has hydraulic sliding axle that makes it easier for you to go from working to transporting the lift.
- Convenient new flip-up hood.
- New boom positioning for better transport.
